

September News

Hello MeSSA!

With just four weeks to go until our Fall Dinner Meeting, it seems like a good time for a newsletter. There have been some big events in September! Scroll down to see one of the best-looking ones (hint: it's not a storage place).

Feel free to send in updates about your facility! We love pictures, too.

Upcoming Events:

NHSSA

This Vendor Showcase is a packed day for managers and operators, complete with a keynote speaker, networking, lunch and round table discussions.

Want to know what's ahead in 2020 for technology? Tips for maintenance of your facility? Easy upgrades? Insurance options for tenants? AND MORE?? We welcome you to come and speak with the vendors who serve our industry. They are excited to showcase their services and products to you.

As always, any employee is welcome from any member facility. This is great experience for your managers in terms of networking, communication and finding and sharpening facility improvements.

The showcase is taking place on Tuesday, October 1st, 11:30am to 4:00pm, at the Best Western Inn and Conference Center, located at 13500 S Willow St, Manchester, NH 03103.
